Ed,

What are your thoughts on the draft briefing document for Jim and Ed?

**Ex. 5 Deliberative Process (DP)**

I'd like to hear your thoughts on this option too.

This is going to need some work. I'd like to keep it to no more than 2 pages. I'd like 1 but it's kinda complicated! If you have ideas for shortening on the front end let me know.

This is just for spit balling right now – but I've included some ideas for the technical assistance side of this and left room for some compliance options if you think you want to put something down – could also be next steps instead of options (e.g. evaluate xyz) if you need more info. before determining a path forward.

## Ex. 5 Deliberative Process (DP)

If you guys have any early reactions to this, try to let me know in the morning as I've got a bi-weekly with DeAndre tomorrow and will cover some of this. Depending on what DeAndre thinks –
